

IRS Releases Integrated Cafeteria Plan Regulations

The IRS has released long-awaited integrated cafeteria plan regulations in the Federal Register published Monday, August 6th. The new proposed regulations are designed to consolidate and update all of the existing proposed cafeteria plan regulations. These new regulations will also incorporate existing Revenue Rulings, statutory changes, and address many of the outstanding issues surrounding Section 125.

CONEXIS is reviewing the new regulations and will provide additional information in upcoming editions of the CONEXIS Comment newsletter.
